The programmes including awareness sessions, interactive sessions, workshops and seminars in the programme schedule for the student week 2026, aim to provide targeted, in-person, peer-to-peer /teacher to student mentorship programmes addressing problems and create a supportive environment for the student community. Debates, extempores, quiz, skits, competitions and feedback sessions shall be essentially integrated into the sessions. Sports include various events to boost team skills, leadership abilities and essentially foster the understanding of the importance of games and sports as recreation and career opportunities besides the curricula. The educational tour aims for experiential learning beyond the traditional classroom.
