Principal's Desk

Our basic objective is to develop a student friendly campus where teachers are their friend-philosopher-guide. The active involvement of the students as well as the initiatives of the multi-talented students for the betterment of the college is our strength. During this pandemic, teaching- learning has been a continuous process with our students. We are connected to our students. Wellbeing of the student community has been our primary concern during this period. Feedbacks from the students as well as their parents are regularly assessed. Conducting regular parent –teacher- principal interactions is one of our best practices.

“Knowledge is power-Unity is strength”

Along with the traditional classroom, integrating ICT based learning with traditional classroom is our aim. Smart class/Virtual class rooms are being effectively utilized for teaching-learning. Both the advanced and less advanced learners are given equal attention. Audio-visual lectures, webinars and workshops are conducted on a regular basis. The students also are learning ICT based techniques for learning. We stress on learning in small groups as well as provide individual learning support.

Our college library is an essential support service for the institution. The students are actively involved with different activities and programs conducted by our college library. We try to introduce innovative approaches in teaching-learning.

Along with curriculum-oriented teaching-learning, extra -curricular and co-curricular involvement of students like cultural activities, environmental awareness, value education programs are stressed upon. Our college has won many national championship trophies (Inter college state games and sportschampion-2019, CU Inter College Football Tournament 2nd runners up 2019.We organize career counseling

sessions. Focusing on skill development activities we provide special opportunity to our students to join trained professionals. NSS Unit is active. We inculcate core values among our students so that they are able to contribute to the society and the nation at large and be future ready in every aspect.

We have a gymnasium with all modern equipment with indoor sport equipment for the boys and girls. We also have separate boy's and girl's common room, Student's Canteen, purified (cold, normal) water connection. Infrastructure development is our continuous strive. Quality of education and student satisfaction is what we ultimately aim at. Our sincere efforts and perseverance shall give positive results in rendering effective contributions towards teaching –learning as a higher educational institution.

*Dr. Manishankar Roy,
Principal*

History

The College owes its legacy to Gurudas College of Commerce, the name by which it was previously known. This college is the outcome of the efforts of the teaching and non-teaching staff of Gurudas College and some social personalities of the locality. Govt. of West Bengal permitted the establishment of Gurudas College of Commerce in 1965 with provision for using the infrastructure of Gurudas College in the evening shift. The college was granted affiliation by Calcutta University on 21.08.1968, the date being followed as the foundation day of the college.

During the period from 1984 to 1998 a number of initiatives and affirmative actions were taken to place the college on track. The extension of affiliation to teach B. Com. at honors level was granted in 1998. The college was shifted to its own premise at its present address with the construction of only the ground floor of the college on 06.01.2001. The present four storied building has been completed in phases. It has been gradually converted to multi-faculty, day-shift, co-education College with re-Christianization from Gurudas College of Commerce to Sir Gurudas Mahavidyalaya. Now 3 (three) programs in Commerce stream, 7 (seven) programs in Arts stream and 5 (five) programs in science stream.

Facilities

- ✓ **The Campus:** The college campus is built on an area of around 1244.13 sq. mts. The campus is well ventilated with sufficient open space on all sides. The college has 33 classrooms, seminar rooms and departmental cubicles, offices and canteen. All science departments have well-equipped laboratories. Two class rooms have ICT installation. We also have a state-of-the-art virtual classroom.
- ✓ **The Central Library:** The college has a well-stocked library with more than 14,000 books, journals, newspapers, magazines, educational CDs and DVD collection. Having been included in INFLIBNET- N-LIST, the library has access to a large number of e-journals and other digital material. The services have been upgraded through digitization and the use of software like KOHA. It has the potential for future growth through further computerization. Apart from books for regular UG courses, the library contains books for UGC merged schemes under the UGC XII plan such as Entry-in-Services and Remedial Coaching.
- ✓ **College Laboratory:**

-
- ✓ **Computer Science Lab:** The department provides facility for both software and hardware lab. The hardware lab consists of adequate amount of equipment like CRO, Function generator, Projector, IC etc. Advanced software and high configuration PC are present in software lab to meet the need of the curriculum.

 - ✓ **Physics Lab:** Honours and general laboratories are accessible to students and staff. We have three laboratories: One electronics, one non-electronics (dark room) and one separate computer lab. We have some high-performance digital instruments like CRO, Function generator, Power Supply etc.

 - ✓ **Mathematics Lab:** There is a separate computer lab which is used for Mathematical programming and computing. Some modern computing softwares like MATLAB, Mathematica etc. are installed in these systems.

 - ✓ **Chemistry Lab:** Chemistry department has well-furnished laboratory which felicitates the students to perform their experiments and chemical reactions.

 - ✓ **Virtual Classroom:** The college has a state-of-the-art virtual classroom to improve the overall teaching- learning experience. The virtual classroom has Interactive White Board, LCD projector, computer desktop and several other modern teaching aids.

 - ✓ **ICT (Information and Communication Technology) facilities:** Internet facilities, computer facilities for practice classes are available to students. The modern teaching equipment include several smart boards, overhead as well as portable shot through projectors, Audio-Visual Aids, DVDs, broadband internet connection, LCD Projectors etc. These are used along with the traditional chalk-and-talk classes to make the learning experience more effective. Film adaptations of literary texts are arranged by the departments of English and Bengali. Various departments invite learned academicians from other colleges and universities on a regular basis to deliver special lectures for the benefit of the students.

Student Support Services and Achievements:

National Service Scheme (NSS): Two NSS Units with 100 volunteers each conduct extension activities throughout the year. The 1st Unit was established in 2008. The university granted permission for a 2nd Unit in 2013. Students are encouraged to join the NSS Programme at the beginning of the academic session during the orientation programme.

- In the year 2012-13, the college received **Best NSS Volunteer Award** conferred by University of Calcutta as well as the **Best Special Camp Award 2013**.
- In the year 2013-14, the college was selected as head quarter of North-East NSS District comprising 10 colleges under Calcutta University. It also received the award for the Best Programme Officer of NSS and the **Best NSS Unit under Calcutta University for three consecutive years – 2012, 2013, 2014**.
- In the year 2014-15, **Best NSS Programme Officer at University level** and **Best Programme Officer** at State level 2014.
- The NSS units of the college participated in the **National Integration Camp-2015** at Mumbai University.

Mechanisms of Redressal: For better protection of students' rights and interests as well as to address their grievances and find solutions to their problems the college has a Grievance Redressal Cell. Following the recommendations of the Honorable Supreme Court of India and the UGC Regulations of 2009, the college has taken a zero-tolerance policy towards incidents of ragging and has constituted an Anti-Ragging Committee specifically to deal with complaints of ragging and to spread awareness about it. The college also has a Sexual Harassment Redressal Cell to ensure gender justice and gender equality on campus.

Career Counseling Cell: The cell provides information, assistance, guidance and counseling to students regarding job opportunities and placement. From time to time, the cell maintains correspondence with different organizations, organizes workshops and training sessions as well as campus interviews for students. Within last two year some of our student placed in some good place like TCS (Chatan Shaw,Computer Sc), Deep Sikha Ganguly (Wipro), Sanyawa Koner(IISER TVM, JEM AIR 777), Suryendu Pan (TCS), Avinabha Bose(Marble Box) & Sulagna Sheet (Marble Box).

Remedial Coaching Classes: Under UGC XII Plan Remedial Coaching Classes have been provided for students belonging to SC/ST/OBC/Minorities/BPL categories in both the Honours and General subjects. Students belonging to the general category who are financially constrained have also availed of this opportunity.

UGC Sponsored Career Oriented Courses: The college runs value added certificate and diploma courses sponsored by the UGC to endow students with necessary skills to be employable in the emerging job market. These courses include Certificate in Computer Hardware and Networking, Diploma in Hardware and Networking and Advanced Diploma in Hardware and Networking.

Institutional scholarships/Free-ships given to students: The college has a Students' Aid Fund. Each year selected number of financially weak students are granted merit scholarships and concession in tuition fees. Financial assistance is available for students under various government schemes such as Post- Metric Scholarship and Talent Support Stipend by West Bengal Minority Development and Finance Corporation, Kanyasree Scheme and many more.

Students' Union: All students of the college are members of the Students' Union. The union arranges for social services and cultural activities. There is a constitution of the Students' Union to regulate its activities including the election and the formation of the Executive Committee of the Union.

Students' Canteen: The college canteen provides hygienic and healthy food at subsidized rate.

Under-graduation and Post-Graduation in Distance Learning: Since 2002 three-year UG and two-year PG courses in Bengali and English are available under **Netaji Subhas Open University (NSOU)**.
